9. RESOLUTIONS

(i) Official

1. The following Resolution was moved on the 10th March, 2016 by the Chief Minister:-

"Punjab is predominantly an agrarian State and river waters is its life. But after the partition of the country, Punjab has always suffered due to high handedness and injustice over this utmost important and serious issue. As per the riparian principle, Punjab has every right over its river waters. In spite of this, from the very beginning, Punjab has been deprived of its right through various agreements and decisions. Despite being the owner of these river waters, the farmers of the State have to depend on the tubewells to draw 73% of the water to meet their agriculture related needs, as a result, the water table is declining very fast. The situation has taken a dangerous turn and tolerating this injustice would tantamount to signing on the death warrant of Punjab and Punjabis. Punjab does not have a single drop of water to spare for others. This House unanimously resolves that no decision would be accepted which amounts to injustice against the Punjab river waters. By violating the Riparian Law prevalent in the country as well as in the world to impose the decision of construction of Satluj-Yamuna Link Canal in order to snatch the Ravi-Beas water from the Punjab would not be tolerated at any cost. This House unanimously further resolves that all the Punjabis and the political parties should rise above their mutual differences and should form a common consensus to protect the interest of the Punjabis with a common voice."

The motion was put to the vote of the House and carried unanimously.

2. The following Resolutions was moved on the 17th March, 2016 by the Parliamentary Affairs Minister:-

" The incident which took place today outside the Chamber gate and Members Lounge in the Punjab Vidhan Sabha is a matter

of grave concern for the House. The way the Members of Haryana Vidhan Sabha tried to obstruct both the gates outside the Chamber while raising slogans today, has never happened earlier. Sir, every Legislative Assembly has the right to enact laws within its own State. This is a democratic process. The conduct of the Haryana Vidhan Sabha Members as exhibited today in the Punjab Vidhan Sabha Members Lounge and at the Chamber gates is highly condemnable. This House also recommends that a copy of the Censure Motion be sent to the Hon'ble Speaker, Haryana Vidhan Sabha with request that due action be taken against the concerned Members while instructing them to maintain democractic discipline and decorum."

The motion was put to the vote of the House and carried.

3. The following Resolution was moved on the 17th March, 2016 by the Minister for Medical Education and Research:-

AND WHEREAS, the Parliament has enacted the Transplantation of Human Organs (Amendment) Act, 2011 (No. 16 of 2011) and the Central Government has framed the Transplantation of Human Organs and Tissues Rules, 2014;

AND WHEREAS, it appears to this Legislative Assembly to be desirable that the Transplantation of Human Organs (Amendment) Act, 2011 (No. 16 of 2011) and the Transplantation

of Human Organs and Tissues Rules, 2014 should be adopted in the State of Punjab; and

" Punjab is facing an acute water crisis at present. The State doesn't have a single drop of water to spare for others out of its river waters. In view of the same, neither was there any need in the past nor is there any need now to construct Satluj Yamuna Link Canal. This House unanimously resolves that Satluj Yamuna Link Canal will not be allowed to be constructred at any cost."

"Punjab is predominantly an agrarian State and river waters is its life. But after the partition of the country, Punjab has always suffered due to high handedness and injustice over this utmost important and serious issue. As per the riparian principle, Punjab has every right over its river waters. In spite of this, from the very beginning, Punjab has been deprived of its right through various agreements and decisions. Despite being the owner of these river waters, the farmers of the State have to depend on the tubewells to draw 73% of the water to meet their agriculture related needs, as a result, the water table is declining very fast. The situation has taken a dangerous turn and tolerating this injustice would tantamount to signing on the death warrant of Punjab and Punjabis. Punjab does not have a single drop of water to spare for others. This House unanimously resolves that no decision would be accepted which amounts to injustice against the Punjab river waters. By violating the Riparain Law prevalent in the country as well as in the world to impose the decision of construction of Satluj Yamuna Link Canal in order to snatch the Ravi-Beas water from the Punjab would not be tolerated at

any cost. This House unanimously resolves that all the Punjabis and political parties should rise above their mutual differences and should form a common consensus to protect the interests of the Punjabis with a common voice."
